Pilates ITC Digital Resources Subscription

Hooray, you've graduated, now it's time to really get out into the industry and work your magic! From time to time as you work with clients with many and varied needs, we recommend that you return to your course resources to refresh, inform and inspire yourself.

The below is a subscription agreement that will allow you to keep accessing your course digital resources. This agreement serves as an addition to the Ezidebit direct debit authority form that is signed to authorise Pilates ITC to deduct payment through your nominated account.

DIGITAL RESOURCES SUBSCRIPTION	COST	TICK
Annual subscription to Pilates ITC course digital resources	\$129 per year	

Terms & Conditions

By executing the Agreement, the Student agrees that:

- 1 The digital resources are defined by access to the LMS learning platform and content within it. This does not include ongoing subscription to the application Complete Anatomy.
- 2 The digital resources subscription is annual and will auto-renew at the contract anniversary date unless cancellation instructions are received in writing prior to the anniversary date as per clause 2 of this agreement.
- 3 The digital resources relate to those from the units/courses of study that the student has already graduated from with Pilates ITC.
- 4 The Student agrees to notify Pilates ITC in writing of any change(s) to account or contact details with sufficient prior notice (1 week) such that payments due may still be debited successfully on time. If sufficient notice is not given and payment is declined, clause 4 of this agreement will apply.
- 5 This agreement is bound by the Pilates ITC Student Handbook Policy and Procedures in regard to the fees schedule, refund policy and cancellation or postponement policy and in signing this agreement, the Student declares that they have read and understood these policies in full.
- 6 As per the accompanying Ezidebit direct debit authority form the Student agrees to the Ezidebit transaction fees.
- 7 The Student agrees that should Ezidebit attempt to debit the due amount on the agreed date and the payment fails for any reason, the Student will be automatically charged and debited a \$10 failed payment fee each time a debit attempt fails.
Please refer back to the Ezidebit Direct Debit Request Form for additional fees associated to your chosen payment method.
- 8 The Student has entered into this agreement voluntarily and without duress.
